

Invitation To submit Abstracts for Poster Presentation

1st FIP Regional Conference for the Eastern Mediterranean

“Envisioning the future together: Transforming pharmacy for better primary health care”

25-26, April 2019, Amman, Jordan

The International Pharmaceutical Federation (FIP) in collaboration with the Jordan Pharmacists Association invites researchers, pharmacists, educators and students to submit abstracts for the 1st FIP Regional Conference for the Eastern Mediterranean in Amman, April 25-26, 2019.

We welcome abstracts of innovative research from the following priority areas:

- Medication reconciliation
- Antibiotic stewardship
- Drug adherence
- Pharmaceutical care for children
- Drug misuse and abuse
- Role of Pharmacists in immunization
- Role of Pharmacists in chronic disease management
- Interprofessional Pharmaceutical Education
- Pharmaceutical Policy

The deadline for submission of abstracts to conference is March 20, 2019 (instructions and contact email below).

Authors will be informed of acceptance no later than March 31, 2019.

Authors with posters accepted for presentation at the conference will be waived from the conference's registration fees.

Poster award:

The Jordanian Pharmaceutical Association (JPA) will offer awards to the top 5 posters selected by the scientific committee of the conference.

Method of Submission:

Abstracts must be submitted to the following email: fipjordan2019@jpa.org.jo

Publication:

Accepted abstracts will be considered for publication in FIP's "International Pharmacy journal" (IPJ).

Your abstract should contain information under the following subheadings:

- **Title**
- **Background information** (Why is your work important? Does it fill any gaps in knowledge or research? What is the context?)
- **Purpose** (What are the objectives? You may include a short statement of your hypothesis.)
- **Method** (Explain your methods, such as study design. What was done, by whom, how and where? What measurements were taken and how were the data managed?)
- **Results** (What did you find, discover or achieve? Not just in subjective terms, but also in the form of data. How significant were your findings?)
- **Conclusion** (What were your overall findings? What do they mean? How could the methods be improved? Is this work part of a bigger piece of research or strategy? What are the suggestions for future work?)

Rules for Abstract content and structure

- Abstracts must be in English.
- Abstracts should preferably contain previously unpublished results.
- Abstracts must be no more than 1,700 characters (including spaces), excluding the title and excluding the name(s) and institutes/companies of the authors and co-authors.
- All co-authors must be listed.
- All listed co-authors must have reviewed the abstract and accepted responsibility for its contents.
- No images, tables, graphs, citations or end notes are permitted in the abstract.
- Non-proprietary (generic) drug names must be used wherever possible.
- Active promotion of commercial entities, products or services is not permitted.
